DESCRIPTION

Our AlphaSorb[®] Whisper Ceiling Cloud is a sound absorbing ceiling treatment with a pleasurable pallet of tranquil and saturated fabric color tones. These suspended ceiling clouds will absorb echo and reverberation to the room acoustics of your interior space.

Available in a wide variety of sizes and colors, AlphaSorb[®] ceiling clouds allow you to create an effective sound control treatment that is distinct. These hanging clouds come in standard or custom sizes, up to 4' x 10' in 1" or 2" thicknesses.
